

MOBILE STOOL & BENCH TABLES

Designed to Accommodate 12 or 16 Students in Cafeterias and Related Settings...

When it comes to mobile tables with built-in seating, Virco's 8', 10' and 12' models are strong on convenience and flexibility. Specially designed torsion bars help you fold and unfold our 12' bench and stool tables quickly and smoothly. Heavy-duty wheel assemblies facilitate transportation. These tables also have up-lock and down-lock mechanisms, and are UL listed. Thanks to these features, set-up and tear-down are greatly simplified. No special storage equipment is required.

All Virco mobile tables come with standard T-mold edge banding, or with a Sure Edge® composite edge finish.
